recipient's name (OK if you don't know)

Examples:

- ☒ Asked a question I also had
- ☐ Was helpful/a good listener/encouraged me or a classmate
- ☐ Asked a question showing their interest in a classmate's ideas
- ☐ Contributed something I thought was interesting
- ☐ Other (explain below)

Explanation/details:

It was helpful to me that a student asked to spend a little more time going over what the "shower door" effect is. When it was first described, I had trouble pinning down what effect I was looking for. After we were directed to observe the crawling of the edge shadows on the clothes it became easier to identify the issue.
