

# PROPS!

David Ross (SCPD)  
my name

Matt (I think)  
recipient's name (OK if you don't know)

Examples:

☒

Asked a question I also had

☐

Was helpful/a good listener/encouraged me or a classmate

☐

Asked a question showing their interest in a classmate's ideas

☒

Contributed something I thought was interesting

☐

Other (explain below)

Explanation/details:

He asked a good question along the lines of "Does a pixel have to be all the way on or off? Can't we change it's brightness based on the amount area the line cuts out?" It was a good question because it lead nicely into the idea of anti-aliasing.
