David Ross (SCPD)
my name

Unknown
recipient's name (OK if you don't know)

Examples:

- ☐ Asked a question I also had
- ☐ Was helpful/a good listener/encouraged me or a classmate
- ☐ Asked a question showing their interest in a classmate's ideas
- ☒ Contributed something I thought was interesting
- ☐ Other (explain below)

Explanation/details:

Towards the end of the lecture a student asked if there was code that is also published with these papers. It was helpful question because it wouldn't have occurred to me to look for it. Having and running the code yourself could really help in clarifying the authors research.
